PROJECT IMPLEMENTATION STATUS

As the members are aware, out of the 70 rooms' facility planned by the company, till the close of preceding financial year it had completed and opened for commercial use only 57 rooms. A very thin growth in term of financial performance of the company inhibited the proposed addition of 13 more rooms to the room inventory of the company and despite a capital expenditure to the tune Rs. 119.38 lakhs, the said addition of room could not materialize with the anticipation of its completion till the end of the current financial year.

"MANAGEMENT DISCUSSIONS AND ANALYSIS"

Company Approach to the Business

The hospitality industry in India continued to be impacted by the slowdown in the domestic economy and adverse economic environment in the international feeder markets of the US and Europe. While the US market appears to be on the path of slow recovery, the European market is yet to come out of its debt problems and recession. As a result, both international and domestic business segments for the luxury hotels remained muted. In the backdrop of these challenging circumstances, the Hotels business registered a marginal growth in revenues and profits, while maintaining its leadership position in terms of operating margins. The company taking forward its objective to be a market leader has strengthened its base in the fiscal year 2012-2013. This is evident from the fact that Hotel is the first preferred destination for the High end clients visiting Bhopal. The rooms on offer are far more superior to any other existing hotel rooms in the city, and that is evident from the VVIP guests who stayed with us in the past year. Further, the Company's vision is to emerge as a high end Hotel, offering the top quality products has added two more outlets of Wonder Bread making it a total of three stores

offering wide range of bakery and confectionary products at a very nominal price.

A Major initiative to open an Industrial Bakery Production Unit which had been approved during the last financial year shall be commissioned by the end of this fiscal, boosting the group as a major bakery and confectionary player.

The Company values its employees as its key assets. Hence, efforts are made on an ongoing basis to improve the efficiency of the employees by way of training, providing them with better working conditions and keeping them motivated at all times. Employees are provided opportunity to grow and prosper. The authority and responsibility chain is clearly defined and the employees are free to convey their ideas and suggestions to their superiors. Team meetings are held at frequent intervals to improve communication and interactions between the employees.

Quality Management

Noor-Us-Sabah Palace, a WelcomHeritage Legend Hotel is the flagship property of WelcomHeritage Group of Hotels, and strict quality parameters have been laid and practiced to adhere to the Brand values, which results in quality service to customers and higher satisfaction level.

Completing the set target for upgradation of Crown Club rooms, hotel has earmarked this year for the upgradation of Food and Beverage (F&B) Outlets. The various initiatives listed include, standardization of recipes, and focus on best quality food at a reasonable pricing. Banqueting has been a major foray for Noor-Us-Sabah palace and has been a preferred destination for all high end weddings and conference happening in the town.

Systems and checks as set by the management from time to time are already in place to ensure that right from planning stage to procurement stage to production stage to service stage to accounting stage, quality is maintained at all levels. Standard Operating

Procedures (SOP's) are being followed at all operational levels for implementation & for strict adherence which would be constantly reviewed to adapt to the changing service trends of hotel industry. The major initiative in Environmental practices has been initiated by the management, and some of the steps include Ban of Polythene bags, Conversion to LED lamps, Water conservation at all levels, Massive Tree plantation, Garbage Disposal Management etc.

Performance Review

The company has registered a modest growth of **4.81%** in its Turnover over previous year. The company has achieved a pre-tax Profit of **268.43 lakhs** for financial years 2012 -13 which is an increase of **1.16%** over previous year. Cash & Bank balance as at 31.03.2013 were Rs.212.24 lakhs. The Sundry Debtors as at 31.03.2013 were Rs. 86.92 lakhs which is only 5% of total turnover.

For the Financial year 2013-14, the company has plans to invest around Rs. 200.00 lakhs towards the final setup of Bakery Industrial Unit, Rs. 200.00 lakhs towards renovation of rooms, Rs. 105 .00 lakhs is towards opening of 7 more Bakery stores.

Internal Control Systems:

All necessary controls, financial checks and otherwise as per statutory requirements as also towards making the company a highly profitable venture are in place. Internal controls as regards operations aimed at ensuring that the expenditure is in line with industry norms. Proper accounting procedures are being strictly adhered to. Total transparency in all transactions is maintained and all statutory licensing and dues to the State and central Government have been updated & are made on time. Reduction in cost will be a major focus area for next FY which will further aid in increasing profit margins and end up in a Healthy Operating Ratio.

Opportunities

Economic projections appear to indicate towards a Major Boom for the Hospitality Industry for the coming season. The Corporate and Conference segment along with foreign tourist segment is expected to show a decent growth.

A Multi Product SEZ which was proposed at Sehore is not yet commissioned which otherwise will give a major boost to the Hotel business as a whole. The Bhopal Airport is now an International Airport, and this is resulting in increase in number of flights being introduced. However, due to lack of International flights at present the actual impact is not felt.

Fast food is the culture of food at this moment. The success

of Wonder Bread has inspired the management to increase number of stores to 10 within this financial year.

Threats :

Opening of competition Hotel with 100 room inventory, coupled with recession in the economy has put some pressure on the Hotel occupancy as well as food business. Real Estate Developers have started to show interest in Bhopal. With the influx of companies like DLF, Ansals, Omaxe and the likes into the city, land and raw material prices have rapidly shot up. This has resulted in spiraling of projects costs. Current market players in Hospitality Industry in the city also have comprehended the boom in the market and thus have either made additions to their current setup or have made provisions to do the same in the current financial year. This again could make a dent in our market share. With the advent of new players in the market, the competition is growing tougher by the day. Hiring and retaining of skilled and experienced manpower is becoming a challenge in the market today which will only multiply in coming years. With the increased fuel prices, corporate houses these days are focusing on reducing travel and boarding /lodging expenses thereby adversely affecting the hotel's revenue. Some corporate have gone step further and bought/hired/running guesthouses for their travelling executives & their offices in the city generally have a conference room attached to take care of routine and other weekly /monthly conferencing.

Risk and Concerns:

The company is hopeful that the current buoyancy in the market will continue for a few years more and we foresee no potential risk to Hospitality Industry as of now. There is definitely a concern about the state Government not doing enough on infrastructure development so as to ease inflow of tourists and corporate.

Other Disclosures:

The Hotel which is recently been conferred as WelcomHeritage Legend Hotel, shall strive to be the number one Hotel in Group. It shall work towards socio-economic growth, and in order to achieve this very goal shall focus on training the existing manpower in accordance with the customer requirements and perceptions.

Human Resources Development:

Led with the realization of the fact that continuous up-gradation of skills and service delivery systems /inputs go a long way to make a decisive difference in the hotel industry, as a matter of policy, continues to invest in up-gradation of the quality of its human resources and lays emphasis on efforts to tone up skills of and service delivery by its existing manpower and keep them sponsoring for external training and skill development programmes at selected ITC hotels.

In the matter of employee's benefits and compensation, your company is not far behind the industry standards and with the growth of the company it will see that the benefits and compensation packages continue to remain tailored to the industry norms enabling it to hire and retain skilled and professional manpower.

Industrial relations scenario in the company throughout the year remained cordial. The employees remained committed to higher qualitative productivity. The management too on its part played its role in maintaining and promoting harmonious relations

AUDITOR'S REPORT

To
The Members of
RELIABLE VENTURES INDIA LIMITED

We have audited the accompanying financial statements of **RELIABLE VENTURES INDIA LIMITED**, which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit

evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- b) in the case of the Profit and Loss Account, of the profit/ loss for the year ended on that date; and

- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.
1. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
- c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;
- e) on the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.
- f) Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the Company.
